
Escondido Soccer Club – FC Heat

Dear Escondido Soccer Club – FC Heat Families,

We would like to share some exciting news! Governor Newsom has allowed for the reopening of youth sports! This is what we have all been anxiously waiting for. We would like to express our eternal gratitude to Supervisor Kristin Gaspar, local professional sports athletes and our ESC-FC Heat Board's Return to Play Committee. They have all been working tirelessly towards this goal. They have all made their voices heard. For this, we appreciate them and their endless support. Thank you for being the voice of our youth.

In the meantime, we still need to work with the City of Escondido to make sure we are allowed to proceed with activities at Ryan Park. Additionally, we need direction from the Cal-South League before returning to play since they encompass all players' insurance and liability to play sports.

Over the last few weeks, we have been training staff and putting together safety plans in order for your player to return to play. Our number one priority is player, coach and volunteer safety. In the next week, you will see more information coming through on our Physical Distancing & Safety Plan, new pick up and drop off procedures, waivers that must be signed for all players and much more. Please pay close attention to all upcoming communications.

To sum it up, we are all ready to get back to the pitch, but we still have to wait on directives from other supporting bodies. As always, we want to thank our families for supporting us through these times. Our coaches and staff thank you for your patience and understanding. Please do not hesitate to contact us with questions.

Yours in Unity,

Escondido Soccer Club – FC Heat
